

## **Relief Rehabilitation Facilitator**

Dale Brain Injury Services is an internationally recognized community based rehabilitation organization that provides exceptional services to individuals and families living with the effects of an acquired brain injury. The objective of all of our services is to work with each client to maximize one's potential for independence, reintegration into the community, vocational and avocational success, and positive relationships. We build futures.

**We are currently seeking Part-Time and Relief Rehabilitation Facilitators to join our team.** Successful candidates must be caring, energetic, resourceful and motivated people who are able to provide direct support, including weekends, nights and evenings, to individuals living with disabilities.

### **Qualifications:**

- Have a degree or diploma in human services from an accredited college or university (or completed first year).
- Consideration will be given to candidates who are currently enrolled as full time students in an applicable program of study.
- Prior experience in community based human service delivery.
- Functionally capable of supporting individuals with physical/mobility challenges.
- Capable of providing direct support to individuals with a range of service requirements including functional independence training, basic personal hygiene, support with medication, community access and housekeeping tasks.
- Functional awareness of acquired brain injury.
- Excellent oral and written communication skills.
- Proficiency in the use of personal computers, mobile devices, standard business and productivity software (i.e. – Microsoft Office).
- Ability to problem solve and demonstrate initiative within appropriate scope of practice.
- Demonstrated ability to work effectively in a team setting.

### **Successful Candidates will also have:**

- Access to a vehicle and a valid class "G" driver's license.
- Current First Aid and CPR certification.
- Ability to lift maneuver and carry at least 30 pounds to assist with transferring participants in and out of bed, shower, chair or wheelchair. Help with support of a walker.
- Ability to certify that s/he is medically fit/capable to perform the duties of the job is a condition of employment.
- Ability to satisfy a Vulnerable Sector Background check is a condition of employment.

**Availability:**

- Be willing and able to work a variety of shifts including weekends, evenings, nights and holidays.
- Have adequate availability to accept shifts on short notice.

**What we offer:**

- Flexible schedule
- Competitive salaries
- Employee Assistance Program
- RRSP Employer Matching
- Employee discounts and perks program
- Continuous learning and development opportunities
- Temporary \$3/hour wage increase for direct support hours
